## *Greetings & Blessings*

Dearly beloved of Yeshua haMashiyach,

May you be prospered in all health, all spiritual matters, in your needs, and the desires of the heart! Amein and Amein.

## *When The King Comes In*

Soon the seventh month that the Creator has put in place and established will once again, in its annual cycle, revisit His people. And it will be a time to respond to the King's call to the feast. Just recently in the *Seventh-day Adventist Hymnal* published in the year, 1941, I found this grand hymn: "*When the King Comes In*".

It is found on page 537, and these are the lyrics:

1. Called to the feast by the King are we, Sit-ting, perhaps, where His peo-ple be; How will it fare, friend, with thee and me, When the King comes in?
2. Crowns on the head where the thorns have been, Glo-ri-fied He who once died for men; Splen-did the vi-sion be-fore us then, When the King comes in.
3. Like lightning's flash will that in-stant show Things hid-den long from both friend and foe; Just what we are will each neigh-bor know, When the King comes in.
4. Joy-ful His eye shall on each one rest Who is in white wed-ding gar-ments dressed; Ah! well for us if we stand the test, When the King comes in.

Refrain or chorus is sung between each verse, and at the end of the last verse:

When the King come in, broth-er, When the King comes in!  
How will it fare with thee and me? When the King comes in.

## *Time to Repair to the Feast*

For those within whose hearts the light of the Gospel is brilliantly burning, the seventh month of YAH is a time to repair to the feast: for we have been called by the Most-High King of the Universe, the Creator, Himself. For those within whose hearts there resides the grand desire to please the King of heaven in all things, let this message sink deep-down into your hearts: 'Called to the feast by the King are we!' There we may rejoice in His holy presence, and fellowship with Him. Hallelu-YAH! Hosanna to the King of kings! Amein. You are invited!

Now is the time to prepare our hearts to meet with the Creator of the universe: It will be, rather late to make those preparations once the seventh month has arrived. I encourage you to prepare your hearts well in advance of the Day of Trumpets; the Day of Atonement (Yom Kippur); and the Feast of Tabernacles. A very excellent place in which to begin your preparations is in the book of holy Scriptures. It would be a wonderful thing to read the twenty-third chapter of Leviticus. Some other suggested readings could be: Exodus 30:1-10; Leviticus 16:1-34; Leviticus 25: 1-55; Number 29:1-40; 1 Kings 8:1-66; 2 Chronicles 5:1-14; 2 Chronicles 6:1-42; 2 Chronicles 7:1-22. These are only some of the places that we experience the drama, the joy, the history, and our heritage of the seventh month celebrations. Once you have set your heart to seeking the Master, you will be led into deeper truths, for that is the promise of the Holy Spirit.

Know that this is not a matter of subservient compliance, and obligatory motivations; but, rather, it is a matter of pleasing the One who loves you most! The matter at hand is one of the most joyful gratefulness, and a deep abiding willingness to please the One who daily nourishes you, and leads you on, by His hand, to His wonderful salvation of everlasting life! Amein and Amein.

It is interesting to note that those of Millerite movement who were destined to become the Seventh-day Adventist Church - they were first called the 'Seventh-month Movement'. They believed in their hearts the truths of the celebrations ordained by the Creator in the seventh month.

## *Proclaiming the Ordained Feast Dates*

When? You ask are these seventh-month feasts? That is a matter of the very gravest concern! For the Sabbaths of YAH are a sign between the Creator and His people that He is their God, and they are His people; and that He is, indeed, the One who created the earth, the seas, and the heavens; and that He sanctifies them; and the true Sabbaths of YAH are a sign to Yehovah, Himself, that those who keep them holy are, indeed, His people. And as the Sabbath [through the collecting of manna on the seventh-day] was a test to the people in Exodus chapter sixteen - so will the correct and true Sabbath be once more a testing of the people at the end of time.

There are a great many groups who make an absolute claim to this or to that day. And among'st them there are a great deal of differences and variations in their proclamation of YAH's appointed times - the 'moeds' of Yahweh. Can this benefit and profit heaven? Does this confusion give glory to the Creator?

Can I tell you which certain days are to be observed? Instead, let me tell you this, That all my life, I have only been wrong, continually wrong! I exhort you, and caution you, 'Do not follow me!' Follow the Saviour, the Christ of the world who died to set you and me free of this body of sin. I don't want your blood on my hands: my hands are filthy enough already. Rather, I pray that you will desire to search out the matter with all due diligence. However, I will offer you some Scriptures, and some of my thoughts and the convictions of my heart to ponder upon.

In the book of Exodus at the beginning of chapter twelve we read:

"And the Lord spake unto Moses and Aaron in the land of Egypt, saying, This month shall be unto you the beginning of months: it shall be the first month of the year to you."

If you will continue to read after these first two verses, it becomes very clear that Passover is celebrated on the fourteenth day of the first month of God's calendar. These Scriptures will give the seekers of truth a starting place from which to make their count to the seventh month. But it is not all as simple as that. Satan has managed to confuse, and becloud, and darken, and hide the very times, and the laws that Yahweh, Himself, set in place and established. Daniel 7:25 witnesses to this matter:

"And he shall speak *great* words against the most High, and shall wear out the saints of the most High, and think to change times and laws: and they shall be given into his hand until a time and times and the dividing of time."

## *Calendar of Lights vs Rome's Black Moon Calendar*

The 'he' spoken of in Daniel 7:25 [2nd word] refers not directly to Satan, but to his earthly appendage whom Martin Luther identified as the Anti-Christ - the papacy. The purposes of pagan Rome and papal Rome have not changed - for they are one with the purposes of the enemy, Satan, to kill, steal and, destroy God's holy people.

Solomon warns us that that which has been, it is the thing that shall be. Do you remember reading of the Inquisition. If you do, you may well understand that it will be revived once again in the end of time to persecute God's saints to the death. When Cardinal Ratzinger was not yet sitting in the office of pope, he was sitting in the office of president/prefect of the Roman Inquisition.

If you should believe these things, then, let me ask you a question? Why do you now place your trust in papal Rome? Is not the calendar currently employed throughout the entire world, a Roman calendar? If it be true that the Inquisition is to be revived; that Rome's purpose is, truly, to destroy the holy people - Why then would you trust in the paper a Roman calendar is printed on?

Did not YAH ordain the sun, the moon, and the stars of heaven to be for the appointed times of God? The calendar of Rome will be for the destruction of those who find their days of worship upon it; and that same calendar will destroy those who look for YAH's appointed times of holy congregation [feast days and New Moons] upon it. Personally I believe everything on that calendar is meant to destroy God's holy people. And that includes the 'black moon' which they call the New Moon!

## *Dare to be a Daniel*

Against all worldly wisdom,- against every shred and scrap of so-called 'scientific' evidence, I dare to be a Daniel, and say that I believe the Full Moon is the New Moon! Why in the world would I ever think such a thing? Let's look at the evidences:

"Blow up the trumpet in the new moon, in the time appointed [Hebrew, **ke'ceh** - full moon], on our solemn feast day." KJV - Psalms 91:3

"Blow the trumpet at the time of the New Moon,  
At the full moon, on our solemn feast day." NKJV

"Blow up the trumpet in the new moon, in the time appointed, on our solemn feast day." The Word of Yahweh, WoY

"Blow the ram's horn at the time of the New Moon, At the full moon, on our festival day." The Scriptures, 1998

"Blow the trumpet at the new moon, At the full moon, on our feast-day." ASV, American Standard Version

"Blow the ram's horn when there is a New Moon, when there is a full moon, on our festival day," ISV, International Standard Version

## *My Testimony*

This bit of understanding is Scriptural! It is not found in worldly books on astronomy or astrology. But, am I right? - All my life, I have only been continually wrong! I would not lead you into the ditch with me. The only thing I can truly trust in, and place my confidence in is in the book of YAH's Scriptures: In that I do have confidence.

I am not proclaiming a date for the feasts as all the other factions and groups are doing; and, as I have done so in previous years. I challenge you to uncover the appointed times of YAH for yourself - if it should be the greatest desire of your heart to do so. When you search with all your soul, all your strength, and all your heart/mind - will He not be found of you? To search out that which Yehovah has hidden will be an acceptable sacrifice, and well pleasing to the Saviour! For it is, "The glory of God to conceal a thing, but the honour of kings to search out a matter." Proverbs 25:2 Amein.

## *I Believe*

I do believe that the beginning of the year that YAH appointed within the holy Scriptures begins with the first New Moon/Full Moon celebration following the Vernal Equinox. It is the month in which Passover is celebrated! Once again, I believe that the Full Moon is the New Moon! Every man must be fully convinced in his own heart and mind. I am convinced and convicted.

But as convinced as I am of this, I am further convinced of another thing. And that thing is that YAH's people need to look beyond just this earth, its moon, and the sun, extending their search to the stars of heaven. Amein!

"And God said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for sea-

sons [H4150, mo'eds- feasts], and for days, and years:" Genesis 1:14  
KJV

"When I consider thy heavens, the work of thy fingers, the moon and the stars, which thou hast ordained; H3559 What is man, that thou art mindful of him? and the son of man, that thou visitest him?

For thou hast made him a little lower than the angels, and hast crowned him with glory and honour.

Thou madest him to have dominion over the works of thy hands; thou hast put all things under his feet:

All sheep and oxen, yea, and the beasts of the field;

The fowl of the air, and the fish of the sea, and whatsoever passeth through the paths of the seas.

○ LORD our Lord, how excellent is thy name in all the earth! "

Psalms 8:3-9, KJV

Yahweh has ordained the sun, moon, and stars for seasons [feasts - **mo'eds**]. The Creator did not just ordain the sun and the moon for the appointed times, but included the stars, as well!

## *Ears to Hear*

This invitation to the feast of YAH is for those who have ears to hear! Amein. Some will be busy buying and selling; some will be busy building; while others will be giving and taking in marriage; and yet others will be excusing themselves that they may test a yoke of oxen; while some others may give themselves over to comforting a new bride: and none of them will hear. But for those that have ears to hear - 'When the King comes in, how will it fare with thee and me, brother? When the King Comes In!' May you be abundantly blessed with this invitation to the feasts! For, is it not an invitation to eternal life? Amein!

Sincerely, your brother,
